2023 Garden Orientation

April 15th, 2023 10:00 AM – 12:00 PM

Returning volunteers, or anyone interested in learning more about the garden, are invited to attend.

We rely on the generosity of volunteers to help bring fresh vegetables to our neighborhood through CSA's, Markets and food bank donations. Come join our Master Gardener Volunteer and our organic gardener to learn about the garden and the basics of gardening.

Extra SNAP benefit amounts will end for all SNAP households in Ohio beginning in March 2023.

Each month during the pandemic, SNAP benefits have been loaded onto your card two separate times. Beginning in March, you will only receive the amount of your first benefit.

SNAP Info

Throughout the pandemic, SNAP households have received temporary additional benefits, called Emergency Allotments. These additional benefits were authorized as part of the Families First Coronavirus Response Act. All SNAP households have been receiving the maximum benefit amount possible for their household size. Every SNAP household has been receiving at least \$95 more per month. On average, households have been receiving \$90 per person, per month more in benefits.

Ohio SNAP households have been receiving these benefits in two separate issuances – one toward the beginning of the month and one toward the end of the month. SNAP benefits will drop for all SNAP households in Ohio starting in March, and households will only receive the benefit amount that is issued toward the beginning of the month.

SNAP participants can call 1-866-386-3071 to check their benefit amount and their balance or use www.connectebt.com/ohebtclient/ to check that information online. They can also go to JoinProviders.com to download a free smart phone app to track their benefits. If a SNAP participant would like further help navigating their benefits, the local Cleveland Food Bank can also help. Their phone number is 216-738-2067.
